CALCULUS OF VARIATIONS
and Partial Differential Equations

De Pascale L., Gelli M.S., Granieri L.
Minimal measures, one-dimensional currents and the Monge-Kantorovich problem 1

Felli V., Terracini S.
Nonlinear Schrodinger equations with symmetric multi-polar potentials 25

Hsu S.-Y.
A simple proof on the non-existence of shrinking breathers for the Ricci flow 59

Baird P., Fardoun A., Regbaoui R.
Q-curvature flow on 4-manifolds 75

Chen S., Li S.
Splitting lemma at infinity and a strongly resonant problem with periodic nonlinearity 105
